

# TASTE & TELL

An original way to become familiar with Spanish gastronomy through this fun and 'tasty' competition in which the guests have to sharpen all of their senses in order to distinguish the different varieties of each particular product and even possible 'marriages' of some of them as well.

TASTING  
STANDS

## CHARACTERISTICS

- Sampling and tasting a variety of wines, cheeses, oils and cured hams
- Explanatory signs about the products in the participant's language
- Presentation and management of the activity by a Master of Ceremonies
- Identification stickers and participation certificates
- Diplomas for the winning team
